Dear David,

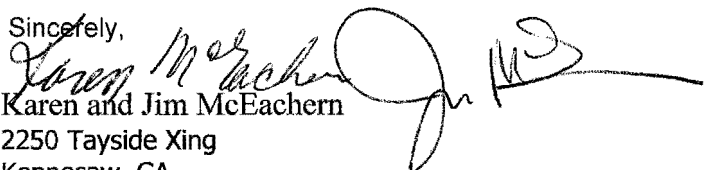

We've been in our house for about 6 months now and wanted to let you know how much we love our house built by Province Homes in the Overlook at Marietta Country Club. The quality and care you put into the home really shows. Friends and family walk into our house and are blown away at the details that were added to the exterior and inside of the house. It's funny, you thought that people didn't really pay attention to some things but they really do notice. Especially the rounded edges of the walls and the round gutters, we love them!

I also need to mention that your crew (Mike, Cliff and Nick) are exceptional to work with. Not only are they extremely professional to work with but they are so knowledgeable and we can tell they really enjoy what they do.

You made our purchasing experience very pleasurable and we thank you for that.

Please do not hesitate to use us as a reference for anyone who is looking at building or purchasing a Province home.

Sincerely,

Karen and Jim McEachern
